#WhatsMyDifferent

#WhatsMyDifferent

Lesson 11: whatsmydifferent.org

Directions: Think about a time when you felt different because of an aspect of your identity like race, ethnicity, gender, sexuality, class, ableism, or perhaps an interest of yours that sets you apart. Challenge yourself to get to know others by creating a campaign sign below, walking around, and starting conversations about identity, culture, expression, etc. Join our student leadership campaign at whatsmydifferent.org by turning your campaign sign into a video. Challenge yourself to involve your friends and families; feeling different is universal and spans generations! We all experience these feelings.

#WhatsMyDifferent

Will you look beyond my different?

Know Your Classmates™
an initiative of  Beyond
Differences
